

Geotechnical Verified Report (GVR)

Note: This form must be submitted by the Responsible Geotechnical Engineer within 14 days of the conclusion of the soil related testing / inspection program, or when work has stopped for more than one month, or if the services of the Geotechnical Engineer have been terminated for any reason.

A.	Re: _____ Project Name	DSA File # _____
	School Name	
	To: _____ School Dist.	
	Address _____ Attention _____	
B.	Engineered Fill Footing Excavations Driven Deep Foundations Retaining Walls / Cantilevered Freestanding Walls Composite Piles Cast-In-Place Deep Foundations Pre-stressed Rock/Soil Foundation Anchors	
	It is my professional opinion that all of the geotechnical related tests and inspections (as indicated above) required by the Division of the State Architect (DSA) approved documents for the project identified in Section A were performed. Any tests of which I am aware that were not performed are listed on an attachment to this report. I am of the professional opinion that the tests and inspections were performed in accordance with the requirements of the DSA approved documents.	
C.	All reports were sent to all entities as required by Section 4-335 of Title 24, Part 1.	
D.	Qualified personnel under my direct supervision conducted all geotechnical related testing and inspection services.	
E.	The results of all tests and inspections indicate that the materials tested comply with the requirements of the DSA approved documents.	
F.	I declare under penalty of perjury that this report was prepared under my direct supervision, I know the contents thereof, and that all of the statements are true and correct.
